ST. JOHN'S CHURCH OF ENGLAND PRIMARY SCHOOL

EQUALITY AND DIVERSITY POLICY

Our Vision and Aims for Equality and Diversity

At St. John's CE Primary School our core values are Respect, Thankfulness, Compassion, Truthfulness, Trust and Responsibility. We will treat everyone fairly, celebrating difference and meeting different needs so that all members of our school community are free to live, learn and achieve their potential.

We aim to:

- Maintain and promote a working partnership between the school, parents and community which fosters respect, honesty, truth, co-operation and tolerance.
- Help the children understand the world in which they live, have mutual respect for the values of others and work together as a team.
- To ensure that everyone, whatever their needs and capabilities, is included and catered for.
- To value each individual and recognise and respond to the needs of all children.

Defining Equality and Diversity

Equality

Equality is about fairness and equality of opportunity and advancing equality of opportunity involves treating people differently. People should not be treated the same. Some people may need extra help or adjustments to be part of the school community; this includes teachers, administration, cleaning or catering staff employed at the school as well as pupils/ students, parents and school governors.

Relating to the Equality Act (2010) there are nine 'protected characteristics' these are age; disability, gender reassignment [transgender], marriage / civil partnership, pregnancy / maternity, race, religion and belief (and having no belief), sex (gender) and sexual orientation.

Under the general duty schools must exercise 'due regard' in respect of each of the eight protected characteristics (excluding marriage and civil partnership) to:-

1. Eliminate unlawful discrimination and harassment
2. Advance equality of opportunity

3. Foster good relations between different groups

Diversity

Diversity is about valuing people as individuals and learning from our differences. Our differences can be visible and non-visible. Promoting diversity we can meet different needs creatively to ensure opportunities are available to all and potential is fulfilled. Promoting a diversity friendly school culture we are able to meet our school's aims and objectives more efficiently.

Culture is about the way we behave towards one another – school governors, all employees in the school, parents, pupils and the whole school community. It is about how we treat one another and respect our differences. Promoting diversity and a diversity friendly culture helps to create a more productive school community.

Purpose and Scope of the Policy

This policy sets out St. John's CE Primary School's commitment to promoting equality and diversity. We believe that it is our responsibility to promote equality and diversity wider than the nine characteristics (areas) covered by legislation. We work to remove barriers and we will not unfairly discriminate on any grounds.

We do this by:

- Making appropriate changes to teaching resources.
- Accessing Local Authority Services e.g. SAIS, Complimentary Education.
- Supporting children's emotional needs through play therapy and drawing and talking therapy. This includes the employment of a qualified counsellor 1 day per week.
- Providing a curriculum, which promotes positive understanding of different characteristics, recognises the contribution that individuals and groups with protected characteristics make to society, and challenges stereotyping and discrimination.
- Monitoring and reviewing of this policy will take place annually and will be made accessible through the school website or will be made available in an alternative format as requested.

The policy applies to:

- School Governors
- Staff
- Parents
- Pupils (as appropriate)
- Visitors to the school
- Multiagency Professionals
- Contractors

Roles and Responsibilities

All members of the school community, governors, staff, pupils, parents, and visitors all have a part to play in implementing this policy, promoting diversity and equality, challenging inappropriate behaviour or practice to remove barriers and avoiding discrimination.

Bullying and Diversity incidents

Pupils

St. John's CE Primary School believes all pupils should be safe and feel valued for themselves, whatever characteristics they may have. Bullying and harassment of pupils, staff, parents, visitors by pupils on the basis of their identity (including a perceived characteristic, and by association with a protected characteristic) is unacceptable. Incidents will be logged, investigated and appropriate actions taken to prevent future incidents and to support the victim as outlined in the School's Anti-bullying Policy.

Staff and Governors

Sefton Council and St. John's CE Primary School view any form of discrimination undertaken by adults as serious acts of misconduct. Any such breaches could result in disciplinary action being taken and in the case of harassment, might call for police involvement.
